

# Instructions: how to manage access requests for the TIL external platform

TIL user

TIL, Technical Information Library | <https://til.scania.com>

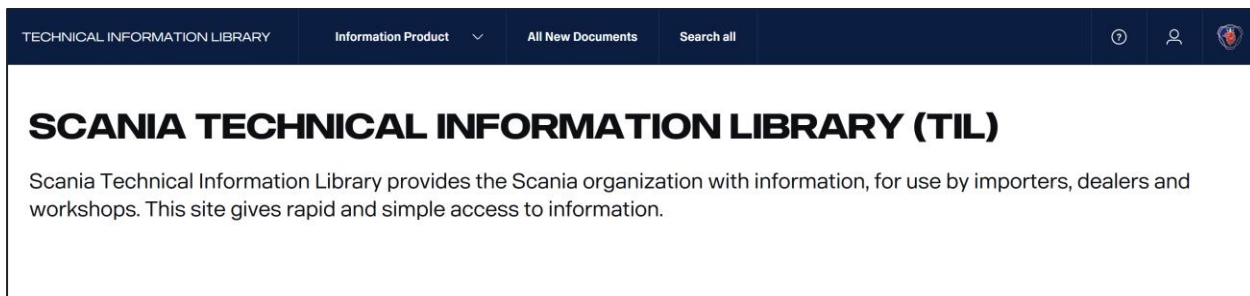

These instructions support this role:

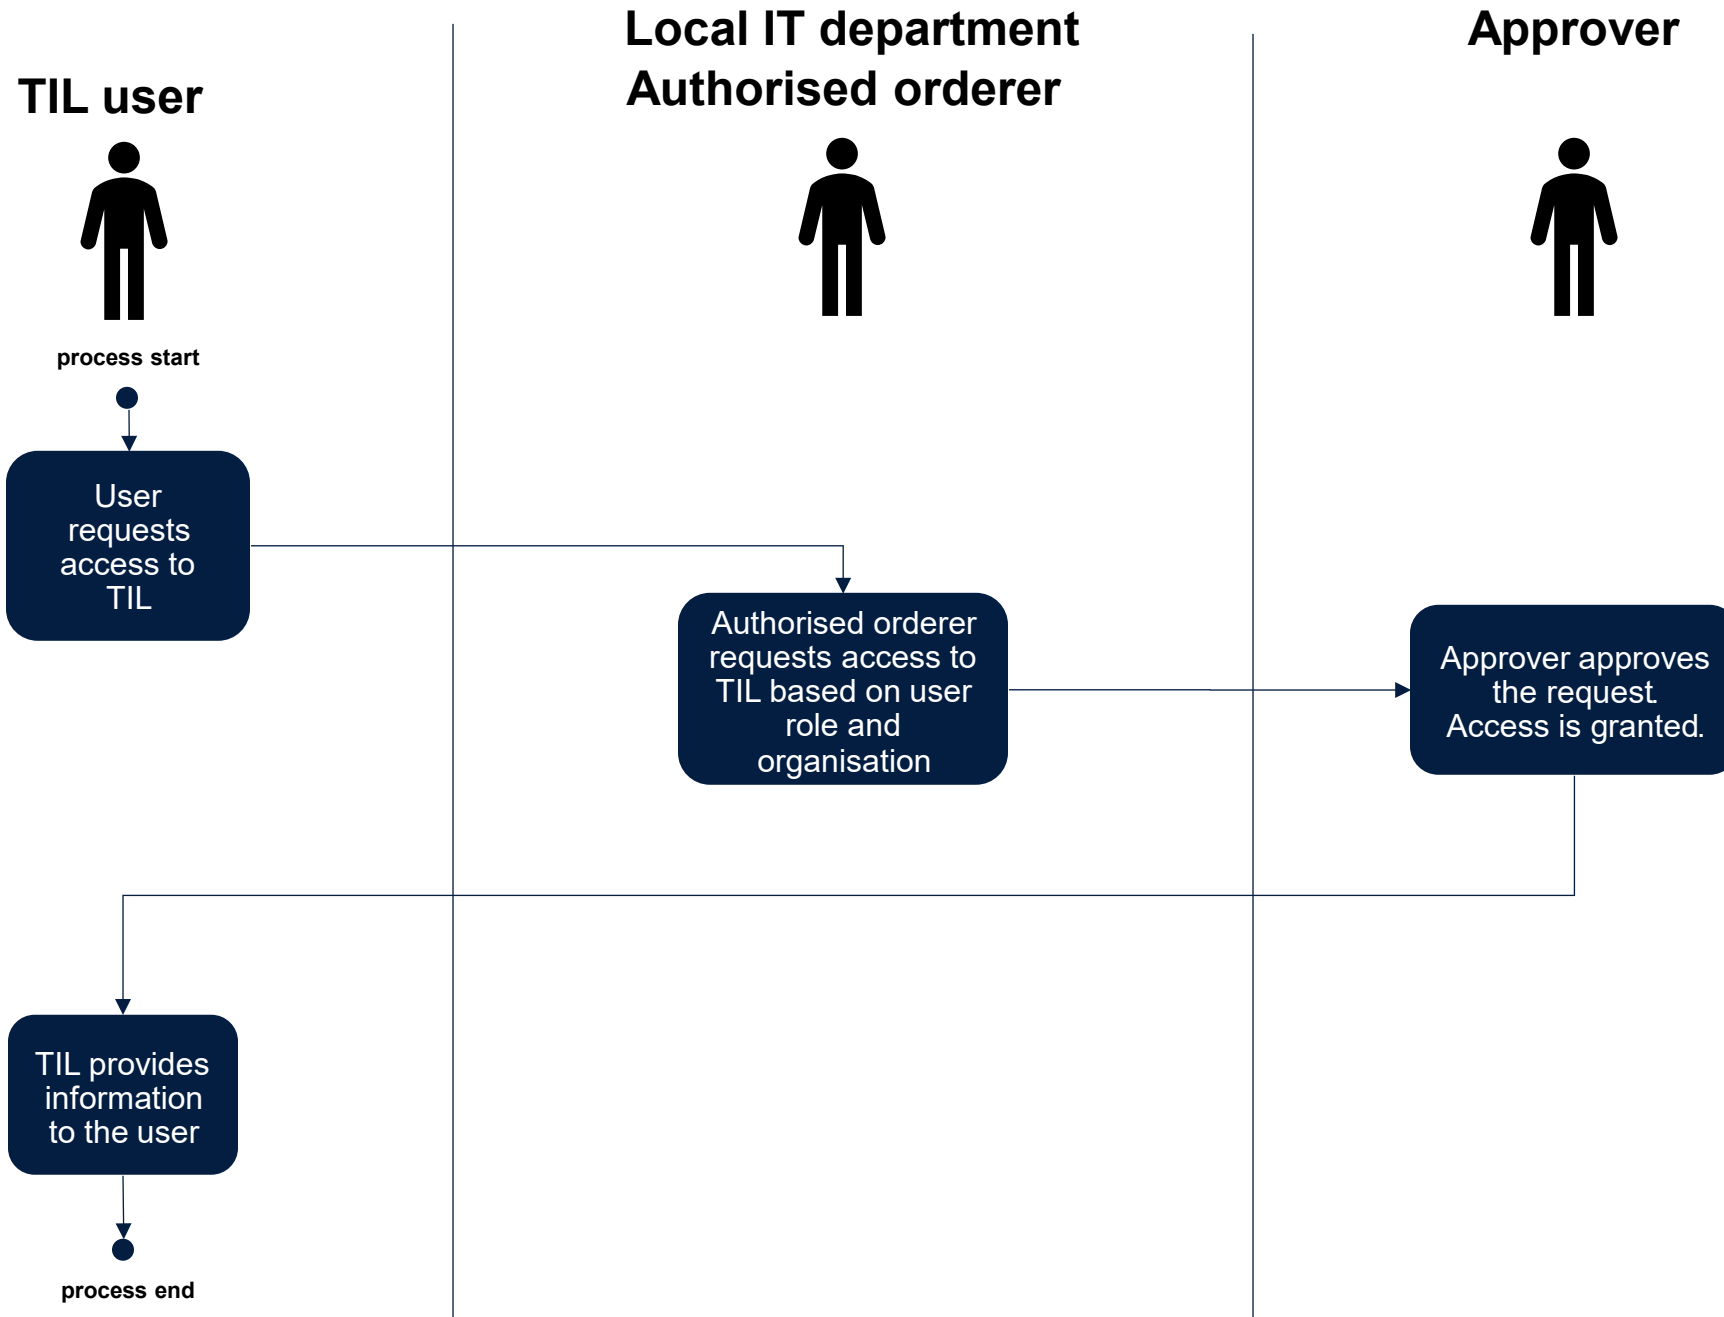

## TIL user

Uses the TIL external platform (Technical Information Library) to carry out their duties:

<https://til.scania.com>

# TIL user instructions

Send an e-mail to your local IT department/authorised orderer asking them to:

- create a Scania user account (XDS) if you do not already have one
- grant you access to TIL

*Note: Instructions for your local IT department/authorised orderer can be found [here](#).*
